ACTIVITIES & ACHIEVERS

On the night of Sept. 4th, the high-spirited Trojans gathered on the Public Square to cheer the team on to a victory over Piqua. Activities of the evening included several skits presented by the seniors, speeches from representatives of each class, and a "go-bananas" marathon. Afterwards, everyone marched back to the school for the traditional bonfire. Under the direction of Master of Ceremonies Dave Brundrett and the Key Club, it was a night of great fun for all.

Coach Blackstone stirs up enthusiasm.

Junior Miss

Once again, Troy High School hosted the Junior Miss pageant, this year on Nov. 22. Mr. Fred McConnell served as director of the pageant. Troy High School was represented by ten senior girls, with Miss Barbara Adams placing fourth, and Miss Marla Cummins finishing sixth.

The crisp smell of autumn carried by the wind brought the thought of Homecoming to the minds of many Trojans. The senior class started off festivities by electing Diane Goodin as their Homecoming Queen. For her court, they chose Sherron Butcher, Diane Brumbaugh, Linda Rudy, Lisa Rudy, and Debbie Trostel. A dance honoring the girls and the victory was held the following night in the gym.

Once again, the annual Christmas concert, held this year on December 22, got everyone into the festive holiday spirit. Under the direction of Mr. T. Herman Dooley, the choirs of each class sang various songs of the season. The Junior-Senior Choir did an especially fine job with the "Hallelujah Chorus." Mr. Dooley and the choirs are to be congratulated for a very fine job.

Mr. Dooley hears a sour note.

"Starry, Starry Night" was the theme of this year's Midwinter Formal, held February 28. Students added a new feature to the formal by voting for their favorite couples at THS. The winners were Wendy Lipp and Rob McKenny, followed by Barb Adams and Wes Welbaum, Pam Bookwalter and Brett Beaty, Cindy Stubbs and Mike Brand, and Sally Walton and Tom Reinshell. It was a most memorable evening for all who attended.

The annual chicken dinner was held on April 14, 1976 this year. The senior class did an exceptional job this year by raising approximately \$1300.00. This money is to be used as a scholarship for the class of 1977. Everyone who came had a great time plus a good meal.

Troy High School's six Junior Achievement groups were extremely active this year, working on various projects to raise money. Most of the JA clubs competed in the trade fair in Dayton and did exceptionally well, bringing back several trophies. Mrs. Akers, Mrs. Chapman, Mrs. Davis, Mrs. Jackson, and Mrs. Waker were the advisors to these clubs and helped them achieve their success.

The Troy High School gym looked like a southern plantation for the Junior-Senior Prom on May 15. The junior class worked long and hard to make this year's prom one of the most successful ever. The highlight of the evening was the crowning of Queen Janet Rhoades and King Wes Welbaum. For the seniors, it was their last prom, and it was one that would be difficult to forget. Members of the Junior Class are to be congratulated for presenting the seniors with a great prom.

The Graduates

Senior Toast

We, the class of 1976, confronted you four years ago as typically excited, apprehensive, loud, and insecure freshmen. You became acquainted with our class as you led us toward new and expanding horizons of knowledge. You, our educators, symbols of intelligence and experience, impressed our young, inquisitive, open, and only occasionally bored minds. At times, our ambitions soared and you encouraged us. Other times, we needed your positive thoughts and guidance to overcome frustrations. There have been times when we didn't see eye to eye. It has been your task to ready us for many of the responsibilities society expects us to meet, and our success will reflect on you. Our learning process has been successful during our years here, and the education we have received reaches in all directions beyond the textbooks and classrooms. The vivid memories we have of you will fade as passing days and months become years. Many of the long familiar faces will blur as we go our separate ways. We will forget the techniques, theorems, and procedures you so often stressed, as our thoughts and talents focus on new challenges. That is all in the future, and now as we share our last few days of high school, anticipating the coming years as citizens and leaders of tomorrow; we, the bicentennial class of 1976, wish to raise this toast with deep gratitude to you, our beloved and beleaguered faculty: We thank you, for you have touched us - we have grown.

- Bev Bader

Faculty Toast

As you all know, the class of 1976 was not the only thing new to Troy High School way back in 1972. Probably just as green as those freshmen and just as sure that the world was his, came a wide-eyed, bushy-tailed first year teacher. We have all changed quite a bit; some for the better and some for the worse. But if you did change for the better, you had to do it through a reciprocal process of trust and admiration; and for this I am deeply grateful that I could be a small part. A great man once said that "A thing well done is a thing done forever." Well - you have done well. Your friendships, if well-made, will last forever, and you have received and given so much that could only be given through love. To live in the confusion of a printed page is one thing, but to live in the hearts of men is quite another. That is worth something, and you may rest assured that all of you will have a special place in the heart of some member of the faculty. I have been more fortunate than most of the faculty in that of the 318 seniors in this class, I have had 220 of you in my class or in some athletic program during my four years. That means I have had 220 opportunities to help you grow in friendship, education, and love. I hope you have given us the same chances to grow. But I hope graduation has not marked an end to this growth. I hope you have not traded a growth in faith for a loss of curiosity. I hope you have not traded success in education for compromised personal pride, and I hope you have not built friendships based on personal gains and deceit - because, if you have, you have wasted four years of your life. Yes, we have all changed. For the most part, it has been a dynamic, forceful change, a change that will enable you to shoulder the tears and joys of your future, a change that will lead to as many different directions as there are people in this room. There will be times when you are cursed for your youth and laughed at for your ideas, but I admire you for your fortitude and applaud you for your ambitions. Therefore, in the name of the faculty at Troy High School, I propose a toast - a toast to your courage to take on and challenge the future with all its pitfalls; a toast to your dedication and perseverance in the face of some trying moments; a toast to you, the members of the class of 1976 for a job well done.

- Mr. Michael Bennett

CLASS HISTORY

FRESHMEN

We were finally here at last,
Anxious to get to each class,
Ready for anything exciting,
Like homework - Oh what a blast!

We all came in with big eyes
Hoping some good catch to spy.
All of the girls had a crush
On some big football hunk.

The year was a great one for sports,
Of football we were the proudest
When our great team from Troy High
Went all out for a 10 and 0 score.

It was at this time all of us Freshmen,
Moved to the Northwest end of the stadium.
How much older we felt compared to Van Cleve,
We were sure and we all were radiant.

From our teachers we got some great laughs.
Miss Byrkett and her "carbohydrates and fats."
Ferdie Phillips helped us a great deal,
In dancing the Virginia Reel.

We will never forget earth science
And learning how Munchkins survived
Mr. Mauntler and Mr. Hawkins
Taught us this, just right.

What took the tops with the teachers
Was Mrs. Thompson taking a spill.
The hilarious day when she
Fell onto the chalk board sill.

We all wanted to get involved
But as Freshmen we weren't permitted
To the new wrestling supporter club,
Mat Maids, we were only admitted.

All of our guys worked real hard
In their favorite pasttime, Red Squad.
Oh, how pooped out they all were
After benching those pounds on their bods.

During the Christmas assembly
And singing the Hallelujah Chorus,
Janet was so excited and nervous
She let loose, luckily not before us.

As the year was quickly passing by,
We looked forward to becoming Sophomores.
We were tired of being referred to
As tricycle riders with rollers.

SOPHO- MORES

Back to school again, starting our Sophomore
year.

Our anxieties were gone, we showed no fear.
Being Sophomores seemed quite a thrill,
But we still weren't quite over the hill.

One day in biology class
Mr. Culbertson said "Alas!
The fish are floating at the top of the tank.
Who pulled this deadly prank!"

The boys started building up their physiques,
They practiced in Red Squad week after week.
They are still in there now, trying their best,
And are ready to put anyone to the test.

Out on the field there arose such a clatter
We turned from Kyle and Keith to see what was
the matter.

Fergy was crossing the goal line;
The sophomores were feeling mighty fine.

Wes was the first to turn sixteen;
We all thought that was pretty keen.
Soon we were all behind the wheel;
Could this accomplishment be for real?

One day at a track meet it was cold,
Mark Peters seemed to be feeling bold.
When he took off his sweats, down came his
shorts.
Mark was speechless, he didn't have a retort.

JUNIORS

We're all filled with glee
For upperclassmen are we.
We will show we're tough
And show the seniors our stuff..

At the Piqua Pep Rally,
Where we said we'd all be nice,
We beat the seniors so easy
We had to show then twice.

Then the eggs started to fly
And caused a real scramble
When Miss Chris was hit in the eye
And for a few weeks was quite a shamble.

Our boys were now the big wheels
Out upon the football fields,
But the best was a real cute dance
That Grove made when he lost his pants.

Last year it was streakin'
This year it was swoonin',
If you'd happen to be peekin'
And saw Petropole and Rhoades moonin'.

This was the year for the seniors
But the Junior girls liked to whirl,
And nobody could have been meaner
Than those jealous senior girls.

For the underlings seemed to be
Attracting those older men
And the Junior boys couldn't see
What was going to happen to them.

Our good friend Merce got to bumpin'
Yes, bumpin' with a wall,
He got to movin' and a groovin',
And bumped a hole, but it was small.

We learned we had some adventurers
Yes, right in our very own class of life.
3 of our guys with ten dollars headed for a Florida
venture,

Yes, it was Siler, McDade, and Knife.

"Stairway to Heaven" was our Prom.
We worked really long and really hard
We had a fountain and a waterfall,
And with our balloons it was not dull!

Next there were assemblies and such
With the seniors getting ready to leave,
We knew we would miss them
Because to us their friendships meant much.

May 31st finally rolled around
This meant the seniors would be gone
Leaving the halls a bit empty,
But now Seniors we did become.

Final exams were what we had to face
They weren't all that bad and the days went fast
When they were handed back,
We were all relieved - for we had passed.

The last day of school was really quite fun,
For we knew we would soon be free to lie in the

sun,
Our junior year had now come and gone,
But our Senior year would be on us before long.

SENIORS

Our senior year had come at last,
We felt it not to be believed,
Many who had struggled through the years
Openly showed they were relieved.

The year began as usual
With a rally for the Piqua game.
Dave and Diane acted as emcees,
Though their jokes were rather lame.

For the second consecutive year
"76" won the tug-of-war,
Thus proving without a doubt
Which team we were PULLING for!

Working concessions for the football games
Turned out to be often quite funny.
The seniors tried hard to do a good job,
And gave the annual staff all of the money.

Kathy, Laurie, Shelley, and Chris were our
cheerleaders,
Rooting for the guys.
Yelling loud and jumping high,
They captured many eyes.

Working hard all summer long
To make the season great,
The Trojans battled on the field,
But their rally came too late.

While the guys were running on the field,
Playing tough for a victory with action,
We seniors mangled each other in the stands,
Wendy and Tina were both nearly put in traction.

Diane was crowned our Homecoming Queen
Along with a truly great court.
Sherron, Deb, Janet, Diane, Lisa, and Linda
Gave our team their moral support.

The game against South was really rough,
The team thought they were in a fix.
Apparently Mercer was more tense than the rest,
He actually "laid a few bricks!"

In that boring period between sports seasons,
Some of us attended the Rec dances,
Several others spent their time wisely,
TP-ing teachers' houses and taking their
chances.

English, to some, was truly a bore
And others simply couldn't be reached.
Dick's literary works kept us entertained
While John's views on death were preached.

Jim kept us thoroughly informed
On the latest developments in math.
Jeff's hardest jobs were grocery shopping
And how to give a child a bath.

Dillow's government classes were a hassle
Over which the students were heating.
The scandal involved the integrity of
Three students, who were ACCUSED of cheating.

It suddenly came to our knowledge that
International affairs were Janet's concern.
Between all the jokes and presentations,

We found that we really DID learn.

Basketball season rolled around again,
Giving us something else to do.
Although the season record was kind of low,
It didn't mean that the morales were, too.

Rusty and Stan gave the spark to the team,
A spark that was sometimes desperately needed.
Stan got "All Area" from TDN;
All along we knew he was top-seeded.

The place to go
Was a hangout called the "She."
For boogie-ing, beer, and making new friends,
It definitely was the place to be.

The wrestling team did really well
With our Kevin holding much of the glory.
We heard of his wins again and again,
But to him, it was becoming an old story.

With five of our seniors competing,
THS gymnastics was really top rate.
Winning the WOL and coming in second at
regional,
All of Ohio's high school coaches said they were
great.

This was a first for the Trojans in gymnastics,
And we were mighty proud of them, of course,
With Guy, Ted, Mark, and John working several
events,
And Ron flipping 'round that side horse.

The Mid-Winter Formal was a real big success
And, to everyone there, it seemed right.
That seniors won as the five starlight couples,
And Jill had a "Starry Starry" night.

A craze came to Troy this winter,
And struck a few of our senior guys.
Rob, Ted, and Mike threw mustard for laughs
Instead of the traditional pies.

Spring brought around the musical again,
With the kids in it raring to go.
With Linda and Brett giving it their all,
"Sound of Music" was a fabulous show.

The Mock Convention was full of action;
Everyone got psyched and jumped around,
Pandemonium struck the Hobart Arena
As the winner was announced to be Brown.

Troy's baseball team started kind of slow,
And the guys were down in the dumps.
Their playing grew better and their records
improved,
And soon only a few players were still in slumps.

Our last dance as seniors had finally come
'round,
"Gone With the Wind" was our Prom,
Everyone cheered when they announced King and
Queen
Were Janet Rhoades and Wes Welbaum.

Senior Skip Day was really a flop
With most of the students getting caught.
The question they raised that couldn't be
answered,
"Were the kids sick or were they not?"

Our days are numbered 'til we leave these halls.
It's a little frightening to comprehend,
None of us is sure what the future may hold,
But we know this is the beginning, not the end.

In this year, the O.I. Club has expanded its activities along with the budget. We sold fruit which was our biggest and most successful money maker. We gave a benefit volleyball game for Tim Lubkey, a former THS

graduate. Bake sales, carwashes, hot-dog stands, T-shirts, raffels, roller skating parties, and distribution of Political material are all other money making projects. We started some new activities, such as a O.I. Scholarship,

and Easter Egg Hung, painting of the "Girls Home" and passing literature for the Hainer Mansion. Along with all the work done we all have had a great time doing it.

The 1975-76 Annual Staff has worked from Aug. to June to put together the best yearbook ever. We've sold ads, run the concession stand, sold candy, and various other projects to raise money.

We'd like to express our gratitude to several people: Mr. Welbaum for arranging our candy sale and helping

with underclass pictures, Mr. Tilly for his photography, Mr. Michael Bennett and his photography staff, Mr. Thomas Hawkins for the picture on our cover and endsheets, and Miss Kathy Bird for the artwork in this year's annual.

In closing, I would like to thank everyone on staff for all their work. Everyone worked together and helped

each other out whenever necessary. I'd also like to thank Mr. and Mrs. Robert Cole for all their help and guidance. I believe this was the best staff and I enjoyed working with them all. They've all helped to make this book a success and to make my senior year richer and fuller. Edie Seiple, Editor

IN MEMORY OF:

Mark Joseph DeGrand
February 21, 1958-January 24, 1976

There is a right time
for everything:

A time to be born,

A time to die;

A time to plant;

A time to harvest;

A time to kill;

A time to heal;

A time to destroy;

A time to rebuild;

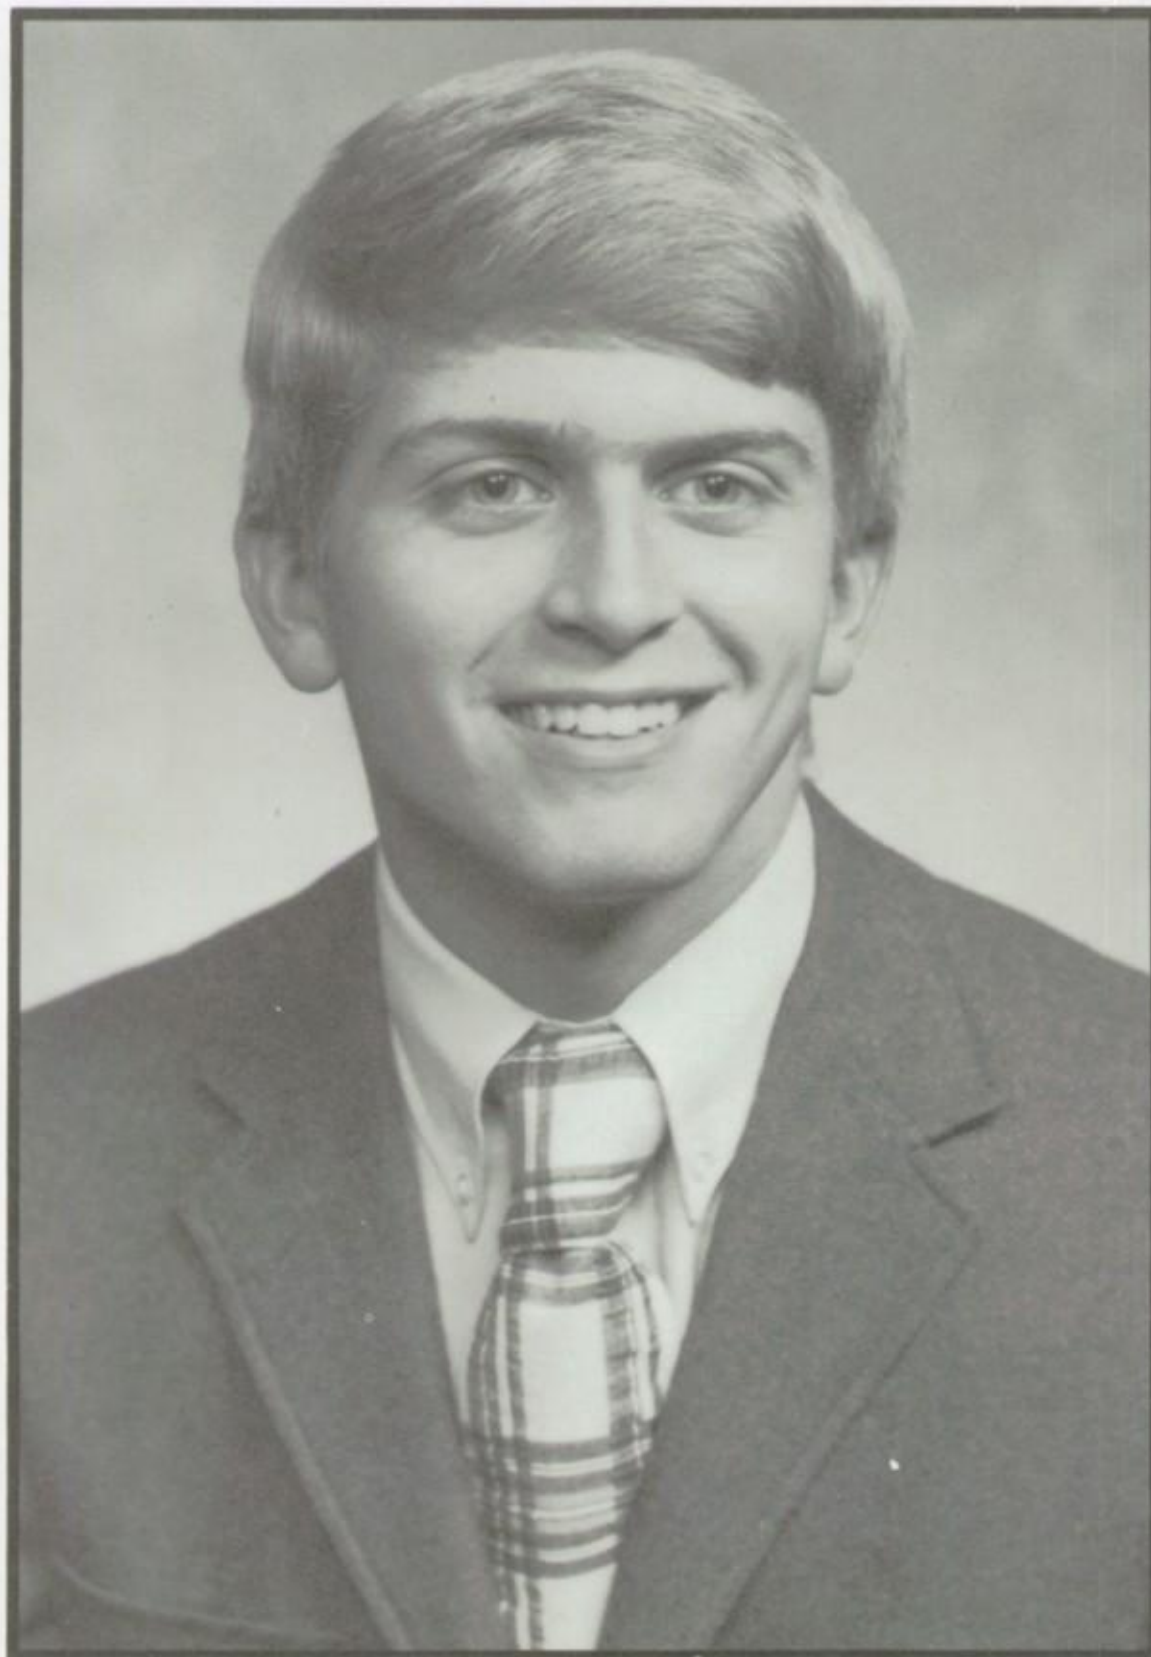

A time to laugh;

A time to grieve;

A time to dance;

A time for scattering
stones;

A time for gathering
stones;

A time to hug;

A time not to hug;

A time to find

A time to lose;

A time for keeping;

A time for throwing
away;

A time to tear;

A time to repair;

A time to be quiet;

A time to speak up;

A time for loving;

A time for hating

A time for war;

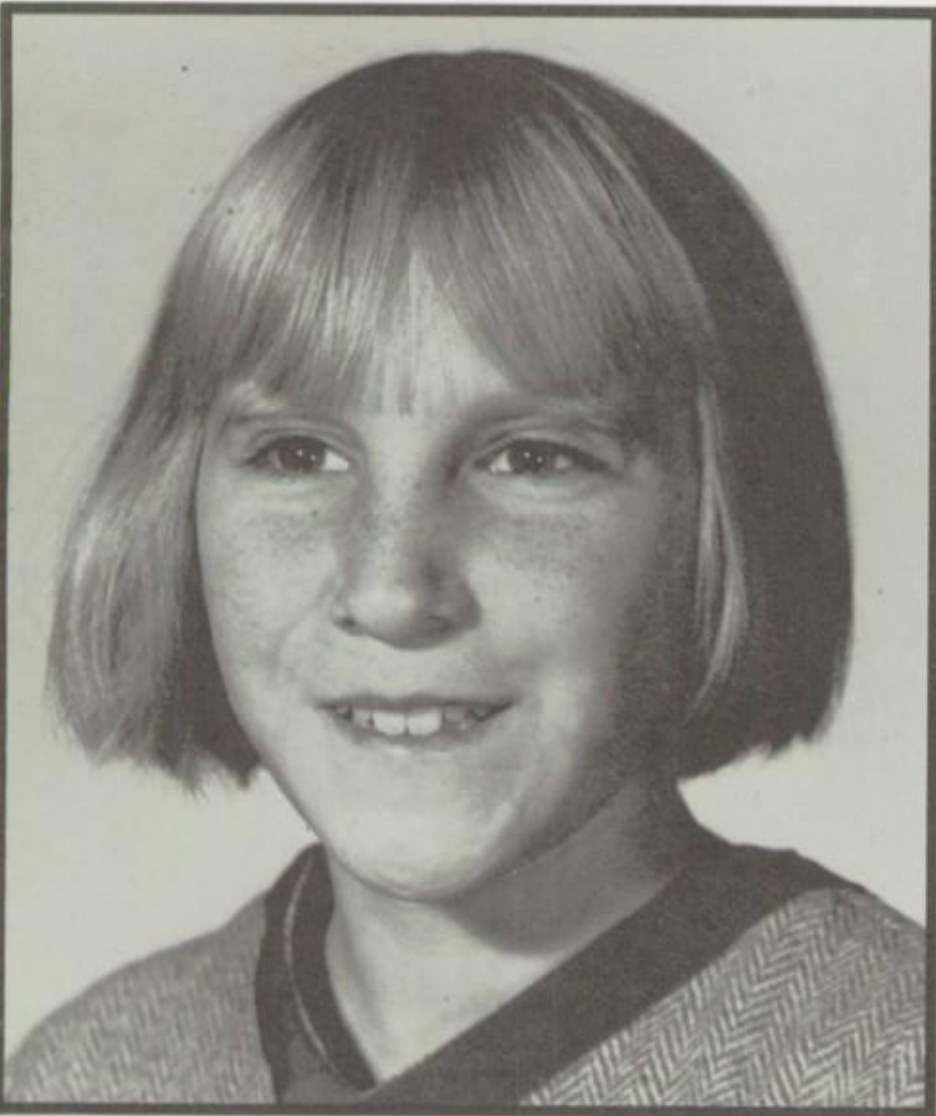

A time for peace.

I asked God for health, that I might do greater things; I was given infirmity, that I might do better things. I asked for strength, that I might achieve; I was made weak, that I might learn humbly to obey. I asked for riches, that I might be happy; I was given poverty, that I might be wise. I asked for power, that I might have the praise of men; I was given

weakness, that I might feel the need of God. I asked for all things, that I might enjoy life; I was given real life, that I might enjoy all things. I got nothing that I asked for, but everything I had hoped for; almost despite myself, my unspoken prayers were answered. I am among all men, most richly blessed.

JUNIORS

The juniors have been extremely active this year, participating in school events and some that they've planned themselves.

Football season was the first major occurrence of the year. The junior guys made up the majority of the team and the girls sold programs at all the games.

A picnic held at Englewood Dam had a great turnout. There was plenty of food for all; football, water fights, and hiking made for a fun-filled afternoon.

Who could ever forget Kari Kroll's party? Many things went on at her house that the juniors will long remember.

The basketball and baseball teams benefited tremendously from the talents of the junior guys who played in these sports. Their playing gave them much experience to guide them next year.

The last big project for the juniors was the Prom. Mass confusion appeared during the last week of preparation, but the dance was a huge success.

The class of '77 had a busy and memorable year and can look forward with anticipation to their senior year at Troy High School.

SOPHOMORES

The sophomores came back this year feeling like old pros. The Juniors and Seniors soon showed them they were mistaken. In fact, the sophomores were superior only to the Freshmen, the "rookies of T.H.S."

Some of the sophomore guys proved to be valuable assets to the football team, as many of them played on the varsity team. The girls did their share by entertaining the student body with their skits at the pep rallies.

Sophomore pep helps keep everyone's spirits high. Keep it up, class of '78!

Freshmen

The class of '79 came in making a "big" impression with a class numbering 464! When the time came for the Piqua Pep Rally, they received the usual "welcome" from the upper-classmen, and Laura Christopher went "bananas!" They all seemed to make their appearances at the Rec and all the other activities around town. They brought something that was more than welcome with the to THS, some varsity sportsmen! In the classroom they, like everyone else, went through the fun of Earth Science and reading GREAT EXPECTATIONS in Language Arts. All in all, they seemed to adjust to the new surroundings very well. Good luck next year, class of '79!

Guidance

Serving as a dual role as the Director of Guidance and Athletic Director, Mr. Richards has made some changes within the Guidance Department.

Mr. Hill, a new counselor this year, is now serving as the Vocational counselor to the Upper Valley Joint Vocational School. Miss Bowers, the freshman counselor, is in charge of administering and interpreting the GATB. Mr. Dorsey, the sophomore counselor, has added group counseling to the department's functions. Mr. Dearth, college oriented counselor, is working closely with practicum students from various universities. The young lady working in Mr. Richards office is his latest addition to the staff, Miss Sheree Gentle. She serves as secretary to the Guidance and Athletic Departments.

Vocational Education

With the opening of the Joint Vocational School this year, the number of vocational programs at Troy High School was reduced to three. The Occupational Work Experience programs were retained due to the transportation problems encountered with

this age group of students who work in the local community.

Different facilities for O.W.E. were provided in the area previously occupied by Auto Mechanics. Lack of adequate space in the High School Building necessitated this move to the Van Cleve Annex.

Special Education

The High School Special Education Department had 41 students enrolled in the program. During the first four months of this school year, sixteen students held jobs under the work-study program. Examples of some of the jobs students held included those of bus boy, kitchen worker, gas station attendant, and lunch truck caterer.

Special Education students also received classroom instruction in basic skills such as money management, driver education, reading and listening, current events, math, work exploration, and work experience.

Innovations in the English Department fell into two categories this past school year: bicentennial emphasis and new ideas. Emphasized for the bicentennial year were: reading of local literature of Ohio, Miami County and Troy; American biographies; novels emphasizing American values; writing essays, plays, poems and short stories centered around bicentennial themes; speaking at Eagles Democracy Contest, and Optimist Oratorical Contest; and listening to Alpha-Omega Players production of ROOTS. New ideas not of a bicentennial nature were a Freshman three-week unit in study skills and a regularly scheduled twice-quarterly visitation to the THS Library for each student taking English.

Foreign Language

During the past year the Foreign Language Department sponsored two department wide activities. The students sang carols in German, French, Latin, and Spanish on the Public Square. The second activity, in February, was the third annual International-Tasting Party. The students entertained each other with songs in the various languages and brought food representative of Germany, France, Spain, and Ancient Rome.

Social Studies

The Social Studies Department had a busy school year in 1975-76. The year began with a new course called OUR LOCAL WORLD being offered to Freshmen and Sophomores and almost 250 students chose this new elective. Since 1976 is our country's Bicentennial, many activities in History and Government class centered around our national heritage. Finally the year was climaxed with the exciting Mock Presidential Convention offered in the spring. Truly, it was a busy year for the Social Studies Department.

Home Economics

Any student who is interested in any area of Home Economics can find a place where they can fit into the Troy High School Home Economics Department. There are courses in Comprehensive Home Ec for all freshmen through seniors, male and female. There are courses in foods, clothing construction, child development, home furnishings and those interested in being a better consumer.

A new aspect is the young men enrolled not only in Bachelor Basics and Gourmet Foods, but also starting in Home Ec I.

Art

The facilities of the Visual Art Department had a major change this year. The three-dimensional phase of the program was moved from the cramped upstairs area to a new location in the industrial arts area. The room now contains areas for ceramics, sculpture, jewelry, enameling, and other three-dimensional learning experiences. The vacated room upstairs is now being used for expanded studio areas.

In Ohio we found the place, people, and opportunity to explore and develop an idea. Inventing, designing and manufacturing machines, equipment and systems for the vast Food Industry and Appliances for the Home is our business . . . wherever food is prepared, served or sold. And we're still growing . . . right along with the vast food and appliance industries. Still expanding in six Ohio plant cities as well as around the world. At the moment, Hobart has 35 plants around the world, 12 of them outside the U.S.A. . . . with sales and service in over 100 countries. Hobart is one of the top 500 industries in America. Whether eating out or at home, Hobart and KitchenAid products enter into our daily lives, worldwide. These products are all directly related to food . . . in processing, preparation and marketing of food . . . and then the efficient and sanitary methods of disposing of food waste, compacting of trash and tableware cleanup, referred to as "doing the dishes" automatically.

Making good lunch meat is a lot like making good meat loaf.

Think about how you make a meat loaf at home. You don't just pile ground meat into a pan and cook it. That's disaster.

Instead, you blend two or more kinds and grinds of meat. You include bread or cracker crumbs (cereal) to help retain moisture. You add spices to taste. And you stir in milk or egg or both to bind everything together.

Dinner Bell lunch meats are made in much the same way. With various cuts and grinds of wholesome meat, ground to just the right consistency and blended with spices and binders. Then cooked to perfection, and sliced and packaged for your convenience.

DINNER  BELL
**We want you to know
more about meat.**

Dinner Bell wishes the 1976 class of Troy High School the best of luck in this bicentennial year, and in years to come.
